C L Srinivas

Education

2021–2026 **Integrated Msc**, *National Institute of Science Education and Research*, Bhubaneswar.
CGPA - 8.72/10

2009–2021 **Schooling**, *Kendriya Vidyalaya No. 1, Palakkad, Kerala.*
X^{th} - 97%, XIIth - 97.8%

Publications

2026 Comparison between android applications and Class-I sound level meters in SPL measurement performance Shwetha Sasindran, Nambukalithoppil Devanand, **Chelakkara Lakshmanan Srinivas**, Rittik Deb. Acta Acust. 10 16 (2026) DOI: 10.1051/aacus/2026001

2025 **Srinivas, C.L.**, Sreerag, M., Mukherjee, R. et al. Image-based South Asian bee species identification: a machine learning approach. J Insect Conserv 29, 55 (2025). https://doi.org/10.1007/s10841-025-00691-7

Projects

August 2024 - present **MSc thesis**, National Institute of Science Education and Research, Modeling the evolution of ARTs using a continuous trait-based approach, Under Dr. Rittik Deb [1] in collaboration with Dr. Colin T Kremer [2], 1 - NISER, 2 - UConn.
Modelling the evolution of ARTs using a continuous trait based approach Developed a continuous, parameterized, trait-based adaptive dynamics model for the evolution of baffling propensity in male tree crickets

May-July 2025 **Summer Project**, University of Connecticut, Storrs, Dr.Colin T Kremer, Assistant Professor, Department of Ecology and Evolutionary Biology, .
Continuous games and trait based adaptive dynamics Studied continuous games, adaptive dynamics frameworks and implemented these with trait based approaches to model the evolution of mate signaling strategies in male tree crickets

August 2024 **Coding**, National Institute of Science Education and Research, In collaboration with Thejas N Manojkumar[1], 1 NISER.
Wrote python script to synthesize artificial calls of the field cricket *Gryllodes sigillatus*. (for codes refer here).

June-July 2024 **Summer Project**, Indian Institute of Science, Bangalore, Prof.Vishwesha Guttal, Professor, Center for Ecological Sciences, .
Collective behavior Studied analytical and simulation based models for collective animal motion and simultaneously observed and documented collective behavior in animal systems.

June-July 2023 **Summer Project**, National Institute of Science Education and Research, Bhubaneshwar, Dr.Rittik Deb, Assistant Professor, School of Biological Sciences, .
Effect of development stage diet on adult size and weight Examined the effect of developmental stage diet on adult size and weight in the tree cricket *Oecanthus henryi*

Presentations

October 2025 **Short Talk**, Indian Society of Evolutionary Biologists, "ISEB6: Evolution Across Scales", IISER Berhampur, *Modelling the evolution of ARTs using a continuous trait-based approach*.

August 2025 **Poster**, International Congress on Ethology, "Behavior 2025", Kolkata. *A Tree Cricket's Tale: Modeling the Evolution of ARTs Using a Continuous Trait-Based Approach*

March 2025 **Poster**, International Center for Theoretical Sciences, Bangalore, "Decisions, Games and Evolution", *A Tree Cricket's Tale: Modelling Alternative Reproductive Tactics as Evolutionarily Stable Strategies in a Communication Game*.

Workshops

March 2025 **Workshop**, International Center for Theoretical Sciences, Bangalore, "Decisions, Games and Evolution", An intensive, interdisciplinary 10 day workshop intended to bring together researchers and students working on game theory, evolution and decision problems..

Achievements & Awards

2026 Qualified TIFR GS JGEEBILS

2025 Selected for the IUSSTF Khorana Program For Scholars 2025.

2025 GATE Ecology and Evolution (EY) All India Rank **52**, GATE Life Sciences (XL) All India Rank **775**

2025 CSIR-UGC NET Life Sciences (703) All India Rank **87**

2024 GATE Ecology and Evolution (EY) All India Rank **10**, GATE Life Sciences (XL) All India Rank **970**

2024 Selected for Indian Academy of Sciences Summer Research Fellowship

2021-2026 Department of Science and Technology INSPIRE Fellow

Languages

Advanced English (TOEFL Score- 104/120), Moderate Hindi, Native Malayalam, Native Tamil.

Extra-Curricular Activities

Visual art (*@art_srini*, *@photo_srini*), Athletics (MCL 2025, IISM 2024 4x400m Gold), Badminton (2022-2024: Badminton Team Captain, NISER Bhubaneswar)
